Production of Income Tax Clearance Certificates from Suppliers and Contractors before contracts are awarded to them.

OFFICIAL MEMORANDUM

No. FD 80 RTP 59, DATED BANGALORE, THE 17TH OCTOBER 1959 (ASVIJA 25, SAKA ERA 1881).

It has been brought to notice of Government by the Commissioner of Income Tax, Mysore, Bangalore, that the Forest Department is not insisting upon the production of Income Tax Clearance Certificates by the Forest Contractors before the contracts are actually awarded to them. The reason usually alleged is that there is delay in obtaining such clearance certificates, but the Income Tax Department has assured that the reason is not correct, and if the contractor has cleared the tax due to the department, the certificate will be issued immediately and further the Commissioner of Income Tax has intimated Government, that instructions have again been issued to all Income Tax Officers that there should not be any delay in the matter of issue of Income Tax Clearance Certificates in proper and deserving cases. All departments of Government are requested to see that Income Tax Clearance Certificates are invariably obtained in all cases in future.

2. In this connection attention of all Heads of Departments is invited to Official Memorandum No. Fl. 6092-6192/G.F. 60-50-4, dated 21st October 1950 (copy appended for ready reference) impressing upon the departments of Government the need for obtaining such clearance certificates before contracts, etc., are given.

They have therefore decided that the financial favour and patronage at their disposal, *e.g.*, in the matter of granting contracts, placing orders for supplies and services, grant of permits, licences, etc., should be bestowed only upon those
